Authorisation letter

To whom it may concern

For more than 20 years IMES is specialized in the field of combustion engine cylinder pressure and data acquisition systems. Our sensors, electronic pressure indicators and combustion control and monitoring systems are employed on a wide range of diesel-, gas- and dual fuel engines, on ships and locomotives and in power cogeneration plants and pipeline compressor stations all around the world.

Since 2016 LSP Transit LTD is authorized representative for IMES products in Estonia, Latvia, Russia and Ukraina.
